

Accelerate math learning for Ohio students

Zearn Math is a top-rated math learning platform that gives Ohio students more opportunities to learn grade-level math with built-in, differentiated support.

When learning with Zearn Math, Ohio students will:

- ✓ Learn grade-level math concepts with on-screen teachers
- ✓ Problem solve with interactive models and real-time feedback
- ✓ Receive just-in-time, personalized support that addresses unfinished learning in the context of new learning

As a part of ODEW's continued commitment to helping all students catch up and move forward in math, a limited number of Zearn Math licenses will be available at no cost for the 2025-26 school year.
