

High-dosage tutoring with Zearn

To accelerate math learning for Virginia students, the Virginia Math High Impact Statewide Tutoring Program offers all school divisions in the Commonwealth access to Zearn Math at no cost.

Tutors identified by school divisions can flexibly implement personalized tutoring sessions, supported by Zearn's grade-level lessons, before or after school or during school breaks, including summer.

Zearn's K-8 platform supports high-dosage tutoring with:

- ✓ 1,000+ digital math lessons that reinforce and deepen students' grade-level math learning
- ✓ Real-time progress monitoring to see student progress and struggle
- ✓ Tutor resources, including lesson-level materials and tutoring guides, to support personalized tutoring sessions

Virginia Standards of Learning for Mathematics

Scheduling flexibility

School divisions can use flexibly

- During school
- Before or after school
- During school breaks

Evidence of impact

Research shows that students at the lowest level of math achievement who consistently use Zearn are 2-3x more likely to improve their math achievement level.

Technical compatibility

Available 24/7 on most popular operating systems, browsers, and devices—including iPads® and Chromebooks®

Zearn is the 501(c)(3) nonprofit educational organization behind Zearn Math, the top-rated math learning platform used by 1 in 4 elementary-school students and by more than 1 million middle-school students nationwide.
