

Getting Started with Zearn Math

A checklist for **School Leads**

Each school should have a **Zearn School Lead** who fosters a positive culture around Zearn for both students and teachers. In some cases this may be a principal, but often it is a coach or lead teacher. This checklist lists the steps that School Leads should take, along with their principals, as they launch Zearn together.

1 Plan your implementation

- ☐ Review the **School Lead role**.
- ☐ Align on Zearn's time in the daily schedule and the usage expectations.
- ☐ Ensure staff register for **Zearn-led training**.

2 Schedule touchpoints

- ☐ Schedule a time each week to review data.
- ☐ Schedule a time each week to connect with a few teachers based on the data.
- ☐ Schedule times for the staff to reflect and learn together across the year.

3 Engage staff

- ☐ Introduce staff to Zearn.
 - ☐ Share the vision for Zearn usage.
 - ☐ Share where Zearn will happen in the schedule.
 - ☐ Share the usage expectations.
- ☐ Attend **Launch Zearn Math** training.
- ☐ Attend **Leader Training**.

4 Prepare for launch

- ☐ Ensure you have an administrator account.
 - ☐ (Look for "Admin Reports" in the Reports tab; contact schoolaccounts@zearn.org for help getting admin access).
- ☐ Make sure all teachers are able to sign in by checking the **Admin Snapshot**.
- ☐ Ensure teachers have checked their rosters and **set student assignments**.
- ☐ Share the **Getting Started Checklist for Educators** with staff.
- ☐ Plan activities and systems to build student motivation and excitement.
- ☐ Ensure classrooms have 1:1 headphones and devices that meet the technology requirements.
- ☐ Ensure classrooms have printed materials.
 - ☐ (e.g. Zearn workbooks, printed **Student Notes**).
